The Next Generation is Here

Peace + Quiet In Stock + Ready to Ship

Your office can give your team the opportunity to increase their productivity and collaboration—but only if the layout includes a designated space for privacy.

Introducing the Generation 2 PoppinPods, the latest and greatest innovation in office phone booths. The PoppinPod is designed to maximize your office with new and improved features like our Anti-Eavesdrop Design, improved air refresh rate, and built-in rollers on all models.

Made with best-in-class materials and backed by our Limited Lifetime Warranty, the PoppinPod is always in stock and ready to ship with free delivery.

Anti-Eavesdrop Design

Our unique Anti-Eavesdrop Design significantly reduces speech intelligibility so private conversations stay that way.

Always In Stock

Order today and we'll ship your PoppinPod ASAP—it's always in stock + ready to ship.

Superior Air Refresh Rate

Every PoppinPod is equipped with automatic fans that completely refresh the air inside the pod in less than 3 minutes.

Dimmable Lighting + Built-In Power

Every PoppinPod is equipped with motion-activated, dimmable lighting as well as built-in power and data options so you can create your ideal workspace.

Free Shipping + Returns

The PoppinPod ships for free and is backed by an industry-leading 120-day return policy.

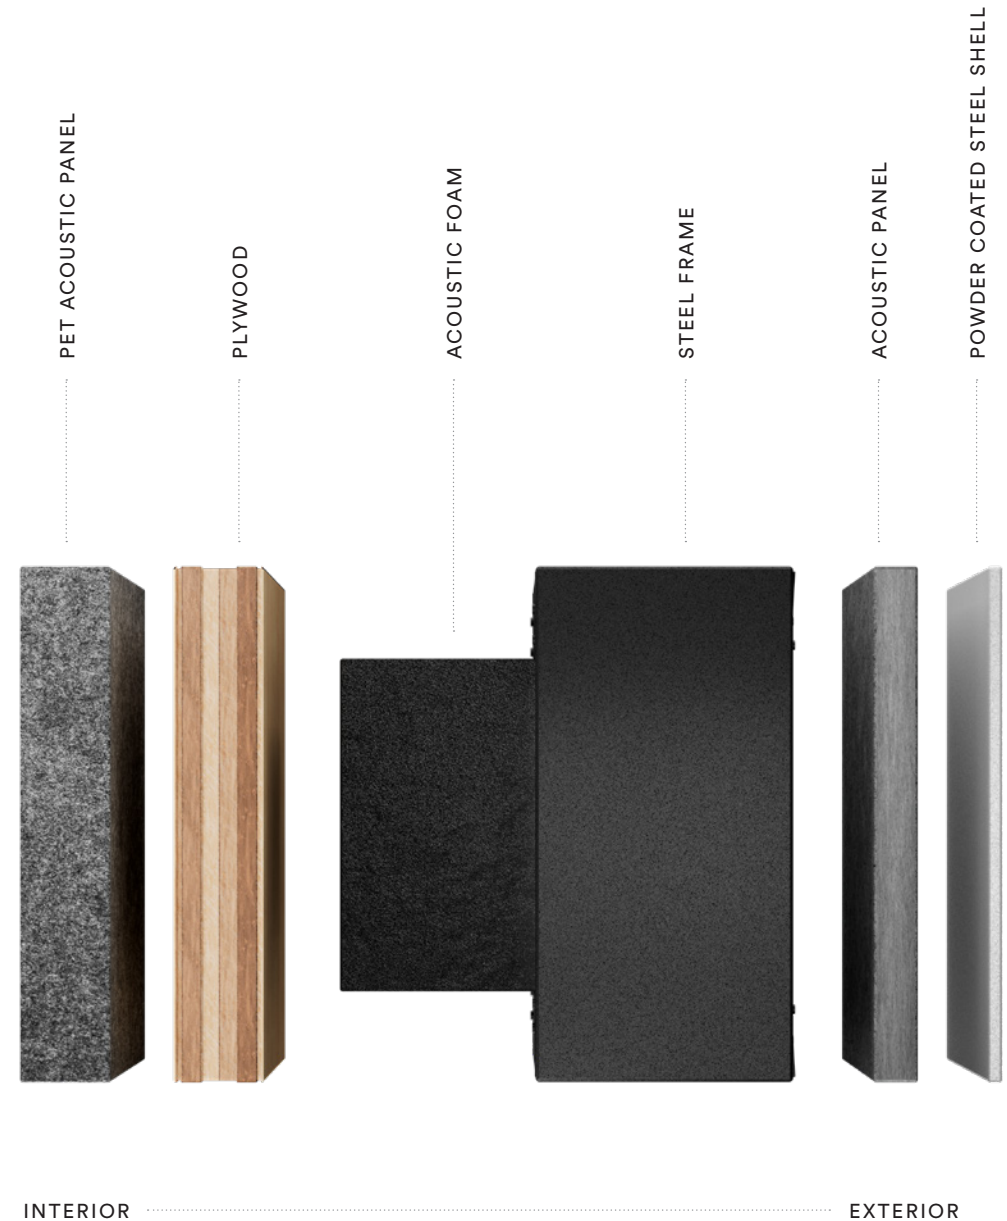

Best-In-Class Warranty

Designed to withstand the daily wear of the workspace, the PoppinPod is backed by a Limited Lifetime Warranty.

Privacy for Life

Every PoppinPod is made from the highest quality materials. Constructed with durable steel, tempered glass, and sound-dampening acoustic panels, the PoppinPod was made tough to withstand the wear and tear of the office.

We're so confident in our pods' superior construction that we offer a Limited Lifetime Warranty on all models.

Anti-Eavesdrop Design

Stepping inside PoppinPod means never having to worry about gossip-hungry coworkers again. PoppinPods have been redesigned to enhance noise reduction.

Our Anti-Eavesdrop Design reduces speech intelligibility and dampens sound by up to 33 decibels so you can speak freely.

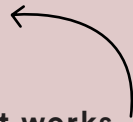

Hear for yourself

That's Just How We Roll

Every PoppinPod comes equipped with easy-to-use rollers. Simply unlock them with the included Allen wrench and you can roll your pod anywhere in the office.

Perfect for hybrid offices and commitment-phobes alike!
